Sample Ltd  
2 Sample St.  
12345 Sample City

We (Sample Ltd) hereby award to

DVGW Test Laboratory XYZ  
Department XYZ  
67890 Sample City

this contract to carry out tests to monitor the production of the following products:

(examples)

1. Drinking water valve XYZ, Reg. No. DG-2714BO1234
2. Valve hose VPT, Reg. No. DN-0041BN5678

alternative: all products of our company which are certified by DVGW CERT GmbH.

By accepting this contract, you will be deemed to have undertaken to perform such tests properly in accordance with the test documents, requirements and deadlines stated by DVGW CERT GmbH. Following the completion of the tests, you shall notify us and DVGW CERT GmbH promptly of all the test results in the form required by DVGW CERT GmbH. You shall not divulge any test results to third parties without our permission.

You shall undertake to refuse to carry out any tests in connection with certification and monitoring activities in advance in the event that you have not been approved to carry out such tests by DVGW CERT GmbH.

We hereby authorize you to take products from our production facility or warehouses or the production facilities or warehouses of our plants A, B and C, .... without prior notice for the purposes of carrying out the monitoring tests covered by this Contract. In the event that any products or samples are sent to you by us in accordance with your instructions, we shall confirm the origin of the products and samples concerned and shall also confirm that the samples have been taken in accordance with your instructions.

Product samples for monitoring tests shall be taken, shipped and returned at our expense. We will inform you in good time of the discontinuation of or interruptions to production. Any costs which you may incur in visiting our plant as a result of our failure to notify you that products or samples would not be available or the fact that it is not possible to conduct monitoring tests for reasons for which we are responsible will be borne by us.

## Sample Monitoring Contract

The monitoring tests shall be performed in accordance with your standard terms and conditions, with which we are familiar. (alternative: please submit a proposal)

This monitoring contract shall initially remain in force for a period of two years (possible addition: it shall also cover any of our products which may be certified by DVGW CERT GmbH in the future, provided that your laboratory is approved by DVGW CERT GmbH to carry out tests on such products and further provided that you shall notify us in good time of any such new products to be included.

This Agreement shall be terminated prematurely in the event that the approval of DVGW CERT GmbH for the tests to be carried out is withdrawn by DVGW CERT GmbH or expires.

This Contract shall be automatically extended by subsequent periods of one year each, provided however that this Contract shall expire no later than on the date when the last certification covered by this Contract expires. This Contract may be terminated by six weeks' notice as of 30 June or 31 December in any year. Any notices of termination shall be given in writing.

Please confirm your acceptance of this Contract in writing and send a copy of your confirmation to DVGW CERT GmbH.

As a general principle, additional points may be agreed with the test laboratory, provided that such points do not contradict the provisions stated above or the rules or standard terms and conditions of DVGW Cert GmbH and are stated in a separate agreement.
